

Program TriNation meeting September 18-19th 2012, Edinburgh.

Tuesday 18th

	Welcome & Situation updates	<i>Chair: Charles McGurk, Chairman of TriNation</i>
9.00-9.15	Welcome	Charles McGurk, Skretting AS
9.15-9.25	Update on PD in Ireland	Hamish Rodger, VetAqua International
9.25-9.45	Geographical distribution of SAV subtypes in Scotland and Ireland	Marian McLoughlin, Aquatic Veterinary Services
9.45-10.05	Status of PD and HSMI in Chile.	Elena Orellana, Sernapesca
10.05-10.25	PD in Norway	Britt Bang Jensen, Norwegian Veterinary Institute
10.25-10.40	SAV2-epidemic in Norway	Monika Hjortaas, Norwegian Veterinary Institute
10.40-11.20	<i>Coffee Break</i>	
	New and ongoing research projects	<i>Chair: Merete Bjørgan Schrøder, FHF</i>
11.20-11.35	Bibliography of new publications last 5 yrs	Marian McLoughlin, Aquatic Veterinary Services
11.35-11.50	Presentation of three new research projects on CMS in Norway	Sven Martin Jørgensen, Nofima
11.50-12.05	FishPathogens.eu –a common tool to organize aquatic viruses	Helle Frank Skall, Technical University of Denmark
12.05-12.25	Presentation of a new project on SAV2 in Norwegian aquaculture	Hilde Sindre, Norwegian veterinary Institute
12.30-14.00	<i>Lunch</i>	

	Epidemiology	<i>Chair: Britt Bang Jensen, Norwegian Veterinary Institute</i>
14.00-14.20	Risk map and spatial determinants of PD in Norwegian salmon farming sites	Saraya Tavornparnich, Norwegian veterinary Institute
14.20-14.40	Seasonal temperature change influence the dynamic of PD in salmon aquaculture	Anne Stene, Aalesund University College
14.40-15.00	Prevalence of SAV in common dab in Scottish waters	David Bruno
15.00-15.20	Genome characterization of flatfish alphavirus and its risk to aquaculture	Iveta Matejusova
15.20-15.45	<i>Coffee Break</i>	
	Pathology and pathogenicity	<i>Chair: Randolph Richards, University of Stirling</i>
15.45-16.05	The Effect of Dietary Lipids on the Pathology of Salmon Pancreas Disease	Tharangani Herath, University of Stirling
16.05-16.25	Comparative pathogenicity of Norwegian Sav2 and SAV3 in experimental challenge	Petter Frost, Intervet Norbio
16.25-16.45	Increased protective immune responses in a whole-virus Ag vaccine against SAV	Hanna L Thim, University of Tromsø
16.45-17.00	Clinical aspects of SAV 2 induced pancreas disease in Shetland	Marian McLoughlin, Aquatic Veterinary Services / David Sutherland, Westside vets

19.00: *Dinner at the Malmaison hotel for those registered!*

Wednesday 19th			Diagnostics and methodology	<i>Chair: Paul Midtlyng, Novartis</i>
	Vaccination and control	<i>Chair: Michael Welsh, AFBI</i>		
9.00-9.20	Comparison of different vaccines and vaccine booster regimes against PD	Stephen Mutoloki, Norwegian School of Veterinary Science	13.30-13.50	Novel biomarker discovery through analysis of the serum proteome of Atlantic salmon during pancreas disease John Tinsley, Biomar AS
9.20-9.40	Efficacy of an inactivated whole-virus vaccine against SAV in laboratory challenges	Marius Karlsen, Pharmaq AS	13.50-14.10	Development of alternative methods for the in vitro study of heart affecting diseases and host- pathogen interactions Patricia Noguera
9.40-10.00	Vaccines against SPDV – results from a large scale GCP field trial conducted in Norway 2010-2012	Terje Tingbø, Pharmaq AS	14.15-14.25	Introduction to workshops
10.00-10.20	Field Experience of Norvax Compact PD use in the UK	Dafydd Morris, MSD Animal Health UK	14.25-16.30	Workshops
10.20-10.40	Field Experience of Norvax Compact PD use in Norway	Dag Knappskog, MSD Animal Health	A	Review of the diagnostic criteria and the role of concurrent infection with PD, HSMI and CMS <i>Chair: Kim Thompson, University of Stirling</i>
10.40-11.15	<i>Coffee break</i>		B	Identification of knowledge gaps <i>Chair: Gordon Ritchie, Marine Harvest</i>
11.15-11.30	Innate responses to salmonid alphavirus infections	Øystein Evensen, Norwegian School of Veterinary Science		
11.30-11.50	Efficacy and Safety Studies of a SAV NAV Vaccine in salmon	Volker Gorenflo, Novartis		
11.50-12.05	Evaluation of the PD-control strategy in Norway	Brit Hjeltnes, Norwegian Veterinary Institute		
12.05-12.20	Recurrent infections with PD	Torunn Taksdal, Norwegian Veterinary Institute		
12.20-13.30	<i>Lunch</i>		16.30-17.00	Workshop wrap-up
